

# Florence Douglas Center Garden Club

## **Florence Douglas Center Garden**

**Club** was established in 2014 so that people with a shared interest in gardening could meet in a friendly, casual, learning environment to discuss gardening ideas.

Members bring a wide range of experience - from a lifetime of gardening. Blue-ribbon winners, to novices with no experience at all.

**Everyone is welcome.** The club meets on the 3<sup>rd</sup> Friday of each month at 1:30 in the Carl Manner room at the:

**Florence Douglas Center  
333 Amador Street  
Vallejo CA**

Meetings cover a variety of gardening subjects, including:

- Gardening tips, tricks and ideas used by members.
- Current gardening techniques and best practices.
- Talks by experts to help us get the best performance from our gardens each season.

Fieldtrips are planned to local nurseries, garden centers, plant sales and events, and other points of interest to gardeners and plant lovers alike.
