June:

1. Friday June 21st Tour of Darlina's (The Succulent Lady) new garden.
2. Wednesday July 21st, Ruth Bancroft Garden tour. Ruth Bancroft is located at 1552 Bancroft Way, Walnut Creek.

Sculpture in the Garden is the annual art show and sale that marries stunning sculptural art with the natural sculptural beauty of the Garden. This year's show will feature the works of [Richard Starks](#) and eight other renowned West Coast artists. A stroll through the Garden during the Sculpture Show will be a delight for the senses. All of the art pieces are available for purchase, so you can bring the magic home to your own garden. After your visit, vote for your favorite sculpture in the "People's Choice" category.
